**Pastors Column**

Yesterday was the feast of St. Blaise, Bishop and Martyr. He was the bishop of Sebastea in Armenia and was martyred in AD 316. He is said to have been a physician, and once saved a boy choking on a fishbone. It is the Church's custom to bless candles in his honor for a blessing of throats on his feast day, February 3rd. Bread, wine, water, and fruit can also be blessed in his honor for the same purpose. Here is the blessing for the candles:

God, almighty and all-mild, by your Word alone you created the manifold things in the world, and willed that that same Word by whom all things were made take flesh in order to redeem mankind; you are great and immeasurable, awesome and praiseworthy, a worker of marvels. Hence in professing his faith in you the glorious martyr and bishop, Blaise, did not feat any manner of torment but gladly accepted the palm of martyrdom. In virtue of which you bestowed on him, among other gifts, the power to heal all ailments of the throat. And now we implore your majesty that, overlooking our guilt and considering only his merits and intercession, it may please you to bless and sanctify and impart your grace to these candles. Let all men of faith whose necks are touched with them be healed of every malady of the throat, and being restored in health and good spirits let them return thanks to you in your holy Church, and praise your glorious name which is blessed forever.
